depending on shape

GENERAL INFO

All party cakes include basic design elements. Specialty designs, fondant work and custom drawings are priced separately based on complexity of the decor.

Sizing of each cake is dependent on the total number of servings.

Our custom cakes require time for planning, baking and decorating. We suggest ordering one to two weeks in advance of your event. Order changes or cancellations require a minimum 72 hours notice.

Please ask if you have an order for a closer timeframe. We always take orders until we reach our production capacity.

We offer an assortment of pre-designed and dessert-style cakes available daily for walk-in purchase in each location.

To see our work or for more information, follow us on Instagram or visit our website galleries and FAQ page.
